

## **Witness Statement**

I, John Doe, residing at 123 Main Street, Accra, Ghana, with phone number 0123456789, hereby provide the following statement to the police regarding an incident I witnessed on August 22, 2024.

On the aforementioned date, at approximately 7:30 PM, I was walking along Oxford Street in Osu when I observed a physical altercation between two men. One man, wearing a blue shirt and jeans, appeared to be the aggressor, while the other man, wearing a red shirt and khakis, was trying to defend himself.

The man in the blue shirt pushed the other man to the ground and began punching him repeatedly. I immediately called the police and reported the incident. By the time the police arrived, the man in the blue shirt had fled the scene. The other man was still on the ground, bleeding from his nose and mouth.

I provided a description of the man in the blue shirt to the police officers. He was a tall, slim man with short black hair and a beard. I did not know either of the individuals involved in the incident.

I am willing to cooperate with the police investigation and provide any further assistance if needed. I affirm that the information provided in this statement is true and accurate to the best of my knowledge.
